**SUPPLEMENTAL AMENDMENT**

*JBD*  
Please amend the above-identified application as follows:

RECEIVED

JUN 13 2002

**In the Claims**

Technology Center 2600

Please add the following claims:

121. (New) The method as claimed in claim 3, further comprising a step of storing data when the at least one passenger vehicle becomes disconnected from the information network so that the information can be provided when the at least one passenger vehicle is reconnected to the information network.

122. (New) The method as claimed in claim 3, wherein transmitting the information signal includes transmitting the information signal at a first frequency, and wherein re-transmitting the information signal includes re-transmitting the information signal at a second frequency.
